

Megaphones

 TOA

◀ Model ER-510

Whether they are used for coaching or for crowd control in an emergency, megaphones remain a great vehicle for getting your message across. And, with 12 different models available, TOA offers a megaphone to fit nearly every need.

Most models feature high impact plastic horns, delivering a smooth, ring-free sound. For maximum communication efficiency, TOA's easy-to-use megaphones offer extended battery life and sound ranges of up to 1/2 mile.

Distinctive whistle, yelp or siren signaling will get the crowd's attention and make sure your message is heard. To complete the line, both hand- and shoulder-held megaphones are available.

From rallies and movie locations to fires and emergencies, you can be sure TOA's megaphones have got you covered.

USER BENEFITS

- ▶ Lightweight construction for easy handling.
- ▶ Long battery life operation prevents downtime.
- ▶ Simple push-to-talk operation for trouble free use.
- ▶ Clear, articulate speech gets your message across.
